1. I am giving you the parties of me. I am giving you the parties of me. I am giving you the parties of me. Thank you. Not ashamed of wearing my name. Comfort being number one, not; me. Thank you. I love you.

2. Leaderless one, not; me/father, you now lead in comfort of oneness not as thought, defined by man, but by me/father. We are one/now. Thank you. Amen.

3. This is the beginning of me as never been seen before. I them, the Am, I Am.

4. I love you all'ish not, completely thoroughly. I make all things new in the process, I am. I love you. I do you now. Watch me/us fly tonight before sunset/sunup. I love you. Amen.

5. This is the day all changes for you, not; everything, almost. Watch the Moses, Elijah, Elisha, and me rolled into one, my elect, electing now many others to serve him, not; but me not, father is/are one. I love you.

6. This is the time, moment; and who can say/see what he is doing/up to next?

7. I love you in laughter, in sickness not for there is none/can be none, in life for there is no death, in sorrow not for that cannot exist either, for father knows best/all. I love you. We do/are/become. I love you all.

8. Is there anyone you're not that's served me, loved me, I've served, that's become one with me, even wanted to? Nay, not one/even one. The mighty collection/fortress is our God; of truth, not; for much, almost all has been lost/defamed/separated from reality true; you my friend regain reality bringing reality back now to reality-un to help/show/demonstrate the kingdom of one/father. We are one. I love you all. Me.

9. This is not the time to shrink back, but stand, lead; fight the good fight of faith, not; surrender. I have done the works. You being me now extend them, not; kingdom of heaven. I love/adore you.

10. My language changes, watch me/us go into fields unknown and bring wisdom of the ages to bear, not; but insight from throne one/room, one. To every field, not you; but many, and opening the door to all others. I love/give you me/my word,s. Thank you.

11. You took it on the chin, not; you beat the odds, not; nor the others; you died/chose me, you surrendered and became who you worshipped as I did. I became the father I knew and father'd you. **You now my son become my father not but yours, in me/us.** There is only one son, one father, one that becomes one then, for father invited/invites the son to sit/be in his place/throne, while you throne/enthrone others. We are always one. I love you all.

12. This is the moment, no messing around. I set before you life and death. Choose life demising theologies of man/centuries/demagogues of the south north east and west. And yes look ahead/up for your redemption draweth nigh, not as taught, for the words are in you, above you, in your being, **the clouds above you, you now.** I love you all.

13. This is the moment time and who can see the throne one/one throne in them that one is only? I love you. You now. Amen.

I love you.

Sleep.

Me

[Note: I typed this being so sleepy, almost falling out the chair. I was so glad the word, sleep, came. I cut the computer off wondering if I had typed anything that made any sense at all. Except for the first sentence. I know exactly what they're about.]
